

# Transcript return form: *Qualitative Researcher Journeys*

Created as a Google Form with some minor adaptations

The purpose of a transcript check in this project is for participants to:

1. Fact-check the detail of the recording, especially but not limited to areas of transcript that have been underlined
2. Consider potential risks to the participants and others' anonymity
3. Give participants a chance to reassess their consent to involvement

Please read the transcript and give answers to the following two sections

A. I accept the transcript as provided

I require changes to the transcript provided

**Please indicate any changes on this document, not the original transcript.**

To indicate correction please copy and paste the entire sentence as it appears in the transcript followed by the part to be corrected, in *italics*.

To redact whole sections please copy and paste the entire section as it appears in the transcript followed by the instruction REDACT.

- B. Choose one of the following:
- I reaffirm my consent to my involvement in this project
  - I have concerns and wish to discuss further with Quirkos before reaffirming my consent (please give brief details and/or suggestions)
  - I withdraw my consent to the use of my data and no longer wish to continue with this project
